

The tools : stamps and ink

Paper, too

rythme
rhythm

Un rythme est tout par la perception complémentaire de la répétition d'un phénomène, et d'une structure, quelle que soit l'origine, naturelle ou artificielle, de ce phénomène. [1]

Répétition périodique (d'un phénomène de nature physique, active ou passive). [2]

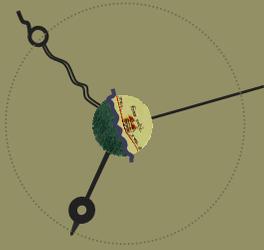

Vitesse selon laquelle se déroule un processus donné, s'accompagne une suite d'événements. [3]

A regularly recurring sequence of events or actions. [4]

Variation marked by the regular recurrence or natural flow of related elements. [5]

A pattern characterized by regularly recurring elements, activities, or factors. [2]

[2]

References session : measure the overlapping, get to know some key contributions.

Written material + visual solutions, two A3 booklets (room Mimosa)

Right stamp black to say “*I know this reference / this type of visualisation and consider myself concerned*”

Right stamp red to say “*I know this and do not consider myself concerned*”

Left stamp black to say “*I do not know this reference / type of visualisation*”.

Details in the scenario provided

Need help ? Ask the coordinator N.Poirier
Also, a demo of Zotero on participant demand
